

A D computer

Your Payroll Experts

Introducing a NEW service...

Automatic Electronic Payment of Child Support Income Withholding

A D Computer can automatically transmit all of your Child Support Court Order payments directly to the appropriate state disbursement unit for one flat fee of \$7.00 per pay, no matter how many Child Support Court Orders you have.

- Insures worry-free on-time remittance each pay
- Eliminates the time and effort of processing domestic relations payments
- Eliminates the cost of postage
- Speeds child support payments to custodial parents
- No bank charges for EFT transmissions

One less thing to think about... One less thing to do !

IT'S THE BEST WAY TO PROCESS CHILD SUPPORT COURT ORDERS

Pennsylvania Senate Bill 1205, June 19, 2006 requires all employers with more than one obligor and 15 or more employees to make payments for child support through electronic means. Any employer with a history of two or more checks returned for nonsufficient funds shall make payments through EFT. For more information see §4374(b) in Senate Bill 1205 at: <http://www2.legis.state.pa.us/WU01/LI/BI/BT/2005/0/SB1205P1869.pdf>
